**Phone:** (650)-667-9464  
**Email:**  
kavithamunishamappa@gmail.com

## PROFESSIONAL SUMMARY

"I am a UX/UI designer looking to join a design team where I can bring my engineering skills to produce beautiful and effective user-centered designs with the ultimate goal of improving the lives of users. I have hands-on experience in designing Mobile apps, responsive web apps while being familiar with mobile design patterns, and a keen understanding of iOS and Material guidelines. I'm looking forward to optimizing these skills in a new role that can help a company's performance."

## WORK EXPERIENCE

### **CareerFoundry**// Online Immersive course

**Student // June 2020-December 2020**

- CareerFoundry's UI Immersion is a 9month, 500-hour intensive program of UI and UX under the mentorship of professionals.
- Program that spanned from visual design principles, color theory, and grids to wireframing, prototyping, responsive design.
- Designed native apps and web responsive apps.
- Produced pixel-perfect mockups.

### **Pragim Technologies pvt.Limited**// on Campus Training

**Instructor // June 2008-July 2010**

- Instructed students under the guidance and instruction of Mentor.
- Motivated students to overcome obstacles and develop skills to achieve there goals.
- Prepared and delivered lessons for students on topics related to Manual testing.
- Assisted with the preparation of seminar and training materials.
- Collaborated with the team to devise and implement a student support network.
- Documented student progress, and obstacles for the Faculty.

### **HINDUSTAN AERONAUTICS LIMITED**

**Student Project**

- Measurement of Helicopter parameteres using Microcontroller.
- Worked together in small groups of 3-4 members to construct a working thesis that will ultimately be used to measure the parameter of the helicopter.

## EDUCATION

### **Bachelor of Engineering, Electronics and communication**

Visvesvaraya Technological University.

## CERTIFICATIONS

- UI Immersion Certification, CareerFoundry, June 2020 to December 2020
- Sketch from A to Z Udemy, June 2020
- Software Testing - Pragim tecnologies pvt , January 2008-July 2008
- Training in C Language - National institute of computer training, June 2007

## SKILLS

- User Research
- User Personas
- User Flows
- Visual Design
- Wireframing
- Design Thinking
- Responsive Design
- Usability Testing
- Prototyping

## TOOLS

- Sketch
- Figma
- Adobe XD
